

Press Release

FOR IMMEDIATE RELEASE

Schumacher, Montoya, Senna... Tracks at 3-S

The track configurations that will be raced on at 3-S Go Karts in Sutton this year have been announced and are now available on both the www.SimcoeKartClub.com and the www.BSRKC.com web sites. Please visit the two Race Schedule sections and click on the Schumacher, Montoya, Tracy, Villeneuve and Senna names to see the layouts. The five tracks will be raced in both clockwise and counter clockwise configurations. In racing we all know that preparation is three quarters of that podium finish. Now we've taken some of the guess work out of the equation and left that wee bit of equipment and driver preparation up to you.
