AUTOSPORTS MEDIA PRESENTS VERY SPECIAL OFFER TO BSRKC PARTICIPANTS

Autosports Media Group, the official media partner and photographer of the Brian Stewart Racing Karting Championship (BSRKC), has announced a very special offer to all the participants and families of the BSRKC.

From now until Saturday January 30, 2010, any Photo CD Package order will earn the purchaser a ballot into a draw for a custom 20x30 canvas print mounted on a wood frame, valued at \$150.00. The Photo CD Package's include all of the images of a particular driver from the 2009 racing season, including events other the BSRKC, that were shot by AMG. All images in the Photo CD package are in original resolution and are rights free. These Photo CD Package's are great memories from the season and perfect to support your marketing and promotion efforts.

"I am very excited to give away such a special print as the mounted canvas. They are very unique and very special to any driver, family member or friend," comments Autosports Media Group staff photographer Cody Schindel. "We did a couple of them this year and they are very cool."

Autosports Media Group will be on site at the BSRKC banquet, presenting champions with a special plak to commemorate their achievement. Orders can be picked up at the banquet, or if you cannot attend, delivery can be arranged.
