BSRKC Returns to Toronto's Downsview Park

Following the tradition set out last year by the Brian Stewart Racing Karting Championship Series, go kart racers return to Toronto's exciting Downsview Park on September 12, 13 and 14, 2008.

Friday will see a full day of controlled practice followed by a 6 pm to 8 pm dinner together with Mr. Brian Stewart at Grand Prix Kartways. At 8 pm the official press conference takes place with a special dedication of six white spruce trees donated to Downsview Park by CF Groups and Cole Cacciavillani. These trees, presented on behalf of the Brian Stewart Racing Karting Championship Series, will be planted in Canada's National Forest.

Saturday's racing excitement continues as this event's co-sponsor and Toronto's hottest radio station **Z103.5** broadcasts live during the races. The afternoon controlled practice will start immediately following the racing. A full complement of kart classes fills the Sunday schedule as well. Downsview Park has installed grandstands and spectators will be filling those seats daily to capacity.

Please visit the BSRKC web site's schedule section for all information pertaining to this special event including accommodations, event entry and schedule forms, practice rotations for both Friday and Saturday, as well as the pre-tech sheet. For those wishing to attend the Friday night dinner at Grand Prix Kartways (GPK) with Mr. Brian Stewart from 6 pm to 8 pm, as well as the 8 pm Press Conference at GPK, please RSVP to LyndaChiovitti@hotmail.com.
