

Kawartha Speedway  
BSRKC Event  
July 3 – 6

**Attention all BSRKC Teams and Competitors**

In order to ensure that this weekend's event is the success everyone is anticipating, please be aware of the following items and be prepared to offer your full co-operation.

**Karting competitors, teams, haulers and support vehicles will not enter Kawartha Speedway until 12:30 pm Thursday afternoon. Practice will start at 1:00 pm.**

Vehicles will be parked in pit area upon entry. Look for a Kawartha Speedway Official and co-operate accordingly.

Vehicles may stay in Pit Area overnight following the Thursday night practice.

**All tow vehicles, support vehicles, and competitors will be asked to evacuate the Pit Area on Friday July 4<sup>th</sup> by no later than 3:00 pm.**

Any teams competing in the Demonstration Races will remain in the Pit Area to prepare for Friday night's event.

**All tow vehicles, support vehicles, and competitors will be asked to evacuate the Pit Area on Saturday July 5<sup>th</sup> by no later than 5:00pm.**

Our entire facility is under 24 hour security via camera and foot patrol. All your haulers and equipment are secure on the property when parked inside or outside of speedway.

The middle two days of this event are very time sensitive. We are very excited to be hosting the BSRKC in 2008 and we need full co-operation by everyone involved in order to make this event the success we all hope it will be.

Thank you in advance for your complete co-operation and best of luck to everyone over the course of the weekend.
