**BSRKC - GLAZE WINS SHOOT OUT FOR STEWART'S IRL FIRESTONE
INDY LIGHTS TEST**

On Sunday, September 28, 2008, 3-S Go Karts in Sutton played host to seven outstanding BSRKC Senior Class Champions and top contenders vying for the Series' grand prize. Up for grabs was the opportunity to test in a Brian Stewart Racing IRL Firestone Indy Lights race car. Josh Adams, Matt France, Michael Glaze, Pearce Herder, Enrico Menotti, Addison Rayner and Darryl Timmers had proven throughout the season that they were all worthy of being chosen. And they all arrived determined to show the judges exactly how deserving and worthy they were.

At the onset, Brian Stewart addressed the karters and made it perfectly clear... *"This is not a beauty contest. This is a speed contest. And the fastest karter will be chosen."*

Enzo Chiovitti Jr., Enzo Chiovitti Sr., Luke Chiovitti, Justin Knapp, Tom Osler and of course Brian would be closely scrutinizing their sessions and results in TAG and F125 ICC Shifter karts. The drivers had their work cut out for them. At the end, Brian was truly amazed by the fact that five of the seven karters were within 2 tenths of a second on their combined times.

As the sessions came to a close however, Michael Glaze was able to successfully knock another tenth off his times making him the fastest karter on the track and the winner of the BSRKC Series' grand prize of an IRL Firestone Indy Lights test in a Stewart race car.

The Principals and Organizers of the BSRKC Series congratulate Michael on his outstanding win. Michael will also receive a HinchmanIndy.com racing suit as well as a Bell Dominator helmet.

We would also like to take this opportunity to thank everyone that made this possible:

- 3-S Go Karts for providing the use of their facility for this test;
- Mike Adams and MG Tires for supplying two sets of MG Tires for the F125 chassis;
- Carlos Goncalves and BActive Sports for providing the SQ Evolution F125 shifter kart and TAG kart with the 125 Cheetah engine, two chassis that demonstrated they were more than able to endure and withstand the requirements of the task at hand; and
- Brian Stewart and the Brian Stewart Racing team.

The BSRKC Series now looks forward to the Waterloo Regional Kart Club's Oktoberfest on Saturday, October 11, sponsored by A to Z Capital Corp. and Andy De Francesco. At
