BSRKC ADDS 2 FWT PRIZES

The Principals, Organizers and Volunteers of the BSRKC Series are pleased to announce the addition of two Florida Winter Tour prizes to the list of 2009 awards.

Bill Wright, owner of Formula Kart Productions Inc., has offered the following to the BSRKC Rotax Junior and Rotax Senior Rotax Max Challenge Class Champions. Formula Kart Productions Inc. will provide the entry fees for the January 2010 round of the Formula Kart Productions Florida Winter Tour Rotax Max Challenge event weekend.

The FWT is one of the largest and longest running series in the Americas. 2010 will mark the FWT's 12th anniversary. The FWT IRMC is the world's largest and most geographically diverse Rotax Max Challenge. The 2009 FWT Rotax Max Challenge averaged 362 entries for each event weekend, and featured competitors from 27 countries, 28 U.S. states and 5 Canadian provinces.

BSRKC is proud of its new association with the FWT and the series looks forward to showcasing its Canadian karting talent at the January FWT event weekend races in Florida.

If, for some reason, the BSRKC Rotax Junior RMC or Rotax Senior RMC Champions are unable to attend, the prizes will be offered to the Class Champions in the Micro Max, Mini Max or the DD2 Classes that are eligible to race in the Florida Winter Tour.

The BSRKC Series Principals, Organizers and Volunteers extend their sincerest appreciation to Bill Wright for this offer and for recognizing both the success of the BSRKC Series and the racing talent within it.

BSRKC looks forward to participating in the FWT with Canada's best Rotax drivers and teams.
