

Press Release

\*\*\*FOR IMMEDIATE RELEASE\*\*\*

**BSRKC JUNE 5-7 and OVERFLOW PARKING at 3-S GO KARTS in SUTTON**

All overflow parking of cars and pickup trucks only will be permitted to park on private property at 26309 Park Rd. From Highway 48, this is the last driveway on the right hand side before you arrive at the 3-S Go Karts track. The drive way leads to a big brown barn with a white roof and white trim. Our retired neighbour has been very generous with her understanding of the situation and we ask everyone to please respect her home and treat it as you would your own.

Unfortunately, the by-law department at the Town of Georgina was not so accommodating. Vehicles with tires marked by the by-law officers must be moved every three hours. As such, anyone parking illegally will be ticketed. Therefore, please note the zones and park your cars and pickup trucks at our neighbour's residence across the street.

Thank you all for your patience and kind cooperation in this regard.

**The BSRKC Steering Committee.**
