

FOR IMMEDIATE RELEASE

BSRKC Canadian National BEAR Hunt Races at Shannonville Motorsport Park

The Principals, Organizers, Officials and Volunteers of the BSRKC Series together with our very generous special event sponsors A to Z Capital Corp., DFR DeFrancesco Racing & Andy DeFrancesco, and co-sponsors, 401 Dixie Nissan/Infiniti & Peter Geer, CF Group & Cole Cacciavillani, and Quinlan Inc. & Todd Quinlan, are looking forward to welcoming everyone to the 2009 edition of the Canadian National BEAR Hunt races at Shannonville Motorsport Park.

Once again the fearless will arrive on July 29 to August 2 to capture what has undoubtedly become the prized show-piece of one's racing talent - the famed BEAR trophies. Twenty-two karters will rise to the occasion and take one home. Will you be one of them? Come race day, will you have what it takes to snare a Bear to put on your mantel?

More than 480 karters raced in this special event last year. And, if the number of pre-registrations arriving daily is any indication, we will be surpassing our own records this year! There is incredible value in what the BSRKC delivers: The Bears and trophies awarded to the top three in every Class; the prize cheques for all of the official Senior Classes presented the same day; the Best Buy gift certificates for all of the official Cadet, Novice and Junior Classes presented the same day; we never charge karters for using our transponders; and we consistently draw even more prizes at the end of each race day during our trophy presentations. All of this and the BSRKC entry fee is just \$85.00 per Class!

The overnight camping is free at Shannonville Motorsport Park regardless of the size of your tow vehicle, trailer, camper, RV or bus. The snack bar serves breakfast and lunch and is open everyday until 5:00 pm. Access to the showers is 24 hours a day. And on Friday, July 31st your dinner is on us! John Nooyen, Eric Van Eerd and Nick Draganac are sponsoring a pig roast of not 1 but 2 piggies for everyone's culinary enjoyment.

No other track generates the atmosphere and degree of excitement such as what you experience at Shannonville Motorsport Park. The Nelson track is completely visible from every angle of the stadium sized grandstands. The stories and special camaraderie shared around the campfires amongst the karters with their families and friends is unparalleled. Everyone is there for the same reason. To race hard, win those BEAR trophies, take home the bounty, and have a blast in the ambiance and annual racing tradition of Canada's best attended high profile special event.

The BSRKC Series is the karter's series. You, together with our generous sponsors, have all contributed to our growing success and to making this Series what it is today.

The Simcoe Kart Club and the Waterloo Regional Kart Club look forward to hosting all of you at Shannonville Motorsport Park and sincerely wish everyone all the best in your hunt for the BEARS.
