**BSRKC UPDATE ON FRIDAY NIGHT PIG ROAST AT SHANNONVILLE**

On Friday, July 31<sup>st</sup>, John Nooyen, Eric Van Eerd and Nick Draganac, will be roasting up two piggies for a complimentary dinner to which they have now **added** baked potatoes and brown beans.

John, Eric and Nick are asking everyone to bring a dinner plate, cutlery, your choice of libations and/or light beverages, as well as a lawn chair, so that everyone can sit back, relax and enjoy each other's company while savoring their delicious cuisine.

John also happened to mention that he and his co-chefs have a sweet tooth. So, if your palate, like theirs, requires something sweet to finish off your meal, then by all means, bring along a dessert with you too.

The three of them will be cooking enough food to feed two hundred so make sure you arrive with a hearty appetite.

See you there and ***BON APPÉTIT !!!***
