BSRKC Race #6 *CASH IS KING* Finale at KAWARTHA!

The final race of the 2009 BSRKC Series will be contested at Kawartha Speedway on Saturday, September 5 through Monday, September 7, 2009. Full event details including the entry form, practice schedules, race schedules and accommodation details are available for downloading from the 2009 Schedule link on the www.BSRKC.com website homepage.

This event is sponsored by Kawartha Speedway & Derek Lynch, CF Groups & Cole Cacciavillani and Quinlan Inc. & Todd Quinlan.

When we started the preparations for this next event, we debated about what would add a special touch to it. With various venues each hosting outstanding events this year at Sutton, Mosport and Flamborough, and with the success of the Canadian National BEAR Hunt races at Shannonville Motorsport Park, which drew more than 490 entries, we paused to consider what would entice our racers to come back for more BSRKC excitement.

Yes, there are still Championships to be determined! Yes, the Kawartha Speedway venue has its natural draw features like the speedway racing, the 24 hour casino and the restaurants. Yes, the event has gone off without a hitch since 2007 with positive comments from everyone who has participated. But, what more could we do to keep up the momentum?

Well, after Enzo Chiovitti almost doubled the prizes at Shannonville, no one could argue that making *CASH the KING* at this upcoming special event would please everyone. So, that being said, each of the top 3 in all of the classes with 10+ entries will be racing for cold, hard cash. No cheques. This will be new for everyone and especially for the Cadet, Novice and Junior 2 cycle and 4 cycle Classes. And what a terrific idea just in time for those back to school and back to work purchases.

The Simcoe Kart Club and the Waterloo Regional Kart Club look forward to hosting all of our members and all ASN Canada affiliated kart racers everywhere. Come and join us on that long September weekend. Your attendance will determine how high the prize purse will go at Kawartha Speedway.

The BSRKC Series is the karter's Series and for those of you who are counting here is a quick look at our 2009 attendance so far: Race #1 - **276** entries, Race #2 - **204** entries, Race #3 - **272** entries, Race #4 - **232** entries, Race #5 - **494** entries. Race #6 at Kawartha Speedway - **TBA**.

The numbers speak for themselves. BSRKC travels the region and puts the karters first in offering a professional racing environment with dedicated officials and volunteers, extraordinary sponsors, all while awarding generous prizes along with a variety of racing venues to satisfy every kart racing style.

Make sure you mark **Saturday**, September 5th, **Sunday**, September 6th and **Monday**, September 7th on your calendars today so that you don't miss either the excitement of racing at Kawartha Speedway or the opportunity of taking home some cold hard CASH!

See you all there and don't forget when ***CASH IS KING*** you'll be filling your wallets!
