## **BSRKC ANNOUNCES NEWEST SPONSOR**

The Principals and Organizers of the BSRKC Series are proud to announce a new addition to our ever growing list of generous and high profile sponsors.

K-Line Insulators Limited and Mark and Cinde Kellett have agreed to sponsor the trophies and appreciation plaques that we will be presenting at our year-end banquet and awards gala on Saturday, January 30, 2010.

For those of you who have raced in the BSRKC Series their son Dalton was kart #9 in the Junior Heavy Class and kart #6 in the Rotax Junior Class. In 2010, Dalton will be moving up the ranks to the Senior Lite, Medium and Rotax Senior Classes as kart #6 in all three of these Classes. Mark contested the Series in the Masters Class as kart #9 and will be returning to the Masters Class with the same kart number designation. There is a racing family where mom Cinde acts as Crew Chief and Darryl Timmers is their hands on technical advisor.

During the 2009 racing season, the BSRKC Series has presented thousands of dollars in cash prizes for the Seniors and Best Buy gift certificates for the Juniors. We were also able to have additional draw prizes during trophy presentations because of the support we received from various notable companies. None of this would have been possible without their incredible support throughout the year.

One look at the [www.BSRKC.com](http://www.BSRKC.com) website home page speaks volumes. And now, we are able to add K-Line Insulators Limited and the Kellett family to it.

On behalf of everyone involved with the 2009 edition of the BSRKC season we extend our deepest appreciation to K-Line and the Kellett family and look forward to hosting them at our 4<sup>th</sup> annual yearend banquet and awards gala on Saturday, January 30, 2010.
