### **BRIAN STEWART RACING KARTING CHAMPIONSHIP** **BEGINS FIVE-DAY BEAR HUNT at SHANNONVILLE**

*Summer of Speed continues as racers hit Shannonville Motorsport Park for annual Ontario Grand Nationals*

Shannonville, Ontario – The Brian Stewart Racing Karting Championship begins its annual five day ‘Festival of Speed’ as racers from across Ontario and Quebec descend upon the famed Shannonville Motorsport Park to take on a very unique karting venue and the country’s toughest competition.

This prestigious five-day long event will see all of the BSRKC classes in action bringing together the best and the brightest from two-cycle and four-cycle racing. Organizers are expecting the usual solid turnout they draw each year with a little extra help from ASN Canada changing its event to a later date. Organizers have sold out the coveted grandstand parking area. The Shannonville paddock and property features showers and lots of free space for parking and camping and plenty of room to accommodate the large turnout.

“You only get to come to Shannonville once a year,” comments Enzo Chiovitti, Simcoe Kart Club President and BSRKC Principal. “You get two days of practice and you need to be fast right from the start. You’ve got to nail your setup and build your racing strategy!”

As in past seasons the BSRKC Organizes have been able to bring together a solid list of top notch sponsors and supporters to make this annual event that much sweeter for the racers. Peter Geer and his crew at 401 Dixie Nissan / Infiniti have stepped up to add their support along with new sponsor Position 1 Fitness. Also supporting this great event in a big way is Wayne's Meat Products and Eric Van Eerd. Both Wayne and Eric invite everyone to a special complimentary pig roast on Friday night.

Since 2006, the BSRKC Series has seen solid turnouts at every event. In 2010 they split their schedules adding a new twist to the successful format. Event organizers are

## Press Release

expecting entries to reach the 400 mark and likewise continue to set the standard for attendance at Ontario races.

With this unique event comes a very special trophy and a number of special classes. A total of 21 classes are on tap over three days of competition with some new combinations in the four-cycle and TaG classes to give drivers additional track time and more chances at winning a coveted Bear. The event kicks off with two full days of practice as drivers work to find the right setup for the tight turns, the long sweeper and the huge front straightaway. Action begins this Wednesday July 28th and runs through to Sunday August 1st.

“Coming back to Shannonville each July is great for the BSRKC,” continues Chiovitti. “Every driver puts this event on their calendar and brings their A game looking to capture one or more Grand Nationals Bear, take home the cash and certainly some fantastic draw prizes that bring everyone to the trophy presentations.”
