BSRKC 2010 Banquet Finale

On Saturday, January 29, the Principals and Organizers of the Brian Stewart Racing Karting Championship Series, together with the Simcoe and Waterloo Regional kart clubs, brought the 2010 BSRKC Series to a close by celebrating the Champion's Gala at the Destiny Banquet Hall and Conference Centre in Woodbridge, Ontario, Canada. More than \$27,000.00 in Stewart Cups and trophies, Sponsor's Appreciation Plaques, cash prizes sponsored by MG Tires and BSRKC, Autosports Media Group Class Champion plaques, embroidered jackets and special draw prizes, were handed out to all of the deserving recipients.

Though Mr. Brian Stewart's schedule did not permit his attendance at the gala, he sent the following message which was read before the generous presentations began:

"Good evening everyone. I'd love to be here tonight to help celebrate another great year of BSRKC, but I am in Florida preparing the race car for testing on Monday, January 31st at Anderson Motorsports Park in Palmetto, Florida. Brian Stewart Racing is currently running in the USF2000 National Championship series, part of the Road to Indy driver development program. Our driver, Matthew Di Leo is with you tonight and I'm proud to say that he has completed five races and finished 3rd in the USF2000 Winter Series. Congratulations Matthew. I hope you all enjoy your very special evening".

The two draw prizes for the custom helmet design and the complete body decal works, sponsored respectively by Taylor Lawson and Buzzbomb Race Paint and by Steve Lyons and Creative Edge Design, were won by Ryan Mohan and Scotty Nagel. J.P. Soucie from Castrol / Wakefield Canada presented the \$500.00 cheque for scholastic achievement to Trevor Chinnick. The Spirit and Intent Mechanic's trophy, presented by CF Groups and Cole Cacciavillani, was awarded to Lon Herder.

All of the trophy head tables were very impressive and included a display of the three trophies that Neelan Nadesan, Greg Rempel and Steve Lyons brought back from the
