### **BSRKC Announces 2011 Tentative Race Schedule** *Tire Specification Also Announced*

The Principals and Organizers of the Brian Stewart Racing Karting Championship Series, together with the Simcoe and Waterloo Regional Kart Clubs, are pleased to announce the tentative schedule for the 2011 BSRKC series, as well as the tires that will be used in the series in 2011. Series organizers are meeting in the near future to finalize the class structure, and will announce the class structure as soon as possible.

#### **2011 Tentative Schedule**

All race events in 2011 will include two-cycle and four-cycle classes. In keeping with tradition, the Shannonville “Bear Hunt” event will have a special five day schedule, while the other events will feature a three day schedule. At all three day events, the first day will be an official practice day, and the second and third days will be race days. The selection of which classes will run on which days is dependent on the class structure and will be announced at a later date.
