BSRKC and MG Tires to Award Four Fully Funded Trips to the Granja Viana 500 in Brazil

The Principals and Organizers of the Brian Stewart Racing Karting Championship Series together with the Simcoe and Waterloo Regional kart clubs, are extremely proud and excited to announce that this year MG Tires is awarding four fully funded trips to compete in the world renowned Granja Viana 500 in Brazil.

The BSRKC Class Champions in the Rotax/TaG Senior, DD2 and F125 Shifter kart classes with ten plus entries at each event are automatically entered. One more trip is reserved for our traditional draw. This fourth winner will be drawn from the Senior 4 cycle classes regardless of the number of entries.

These extraordinary trips include airline tickets, hotel accommodations, transportation to the track, practice and entry fees, chassis', engines and MG Tires. No hidden costs, all expenses paid, and an opportunity for four BSRKC racers to compete in a premier event with the likes of Barrichello, Kanaan, Castroneves, Fittipaldi, Franchitti and Piquet.

These are four more excellent reasons why Canadian karters choose BSRKC.
