BSRKC June 16 & 17 – BETTER THAN A BANQUET

By Lynda Chiovitti

One of the dads participating with his son in Round 2 of the Brian Stewart Racing Karting Championship Series contested at 3-S Go Karts in Sutton said... *“The presentation of trophies, cash and draw prizes on that head table are better than what we get at our Club’s annual yearend banquet...!”* These few words captured exactly what the organizers of the BSRKC Series set out to do.

With A to Z Capital Corp. and Andy De Francesco’s extremely generous sponsorship we enjoyed a Saturday night cocktail party with an assortment of libations. On Sunday we celebrated a birthday and Father’s Day with two delicious chocolate and vanilla cakes. Andy also treated the drivers and the Volunteers to a complimentary lunch of hot dogs, hamburgers, sausages and pizza. The top Cadet, Novice and Junior prizes

were digital cameras with printers, camper sets and DVD players. The top Seniors received \$1,500.00 in cash. But the goodies didn’t stop here. More than 40 prizes including brand names like Sony and Black and Decker were drawn. Quickpicsonline.com and Cody Schindel presented framed pictures to the Fast Qualifiers. And the karters that registered their kart numbers in the BSRKC Series received their official patches sponsored by MitoGraphics and Sheldon Rier. The Series’ patches feature the high profile logos of Brian Stewart Racing, MG Tires, A to Z Capital Corp. and the IRL’s IndyCar® Series and Indy Pro Series™.

As an organizer, I have always been blessed with Sponsors that contribute above and beyond to our Special Events. In this case, A to Z Capital Corp. and Andy De Francesco exceeded ALL of our expectations!

With the hardware and prizes laid out just before the finals, each driver took to the track with a renewed determination to take home the lion’s share of the bounty.

CONGRATULATIONS to all of you. You put on a tremendous show!
