FOR IMMEDIATE RELEASE

BSRKC – SHANNONVILLE – FUJI, PHILIPS & VIRGIN

By Lynda Chiovitti

Okay, so the racing has been spectacular at every Brian Stewart race! But, for me, it's been all about the shopping. Searching the store aisles for those special 1st and 2nd and 3rd place prizes. Selecting the prizes that will garner the biggest smiles on the faces of the lucky winners. Yes, indeed, Christmas comes early at every BSRKC special event and Shannonville will be no different at Event #4 and #5.

Skyrider Equipment, A to Z Capital Corp, MG Tires, MitoGraphics, Quickpicsonline.com, 401-Dixie Nissan/Infiniti and a slew of other generous sponsors are making sure that this Shannonville 22 Bear hunt extravaganza will knock your socks off!

On Aug. 1st to 5th make Shannonville your destination to race at the renowned Shannonville Motorsport Park. The winners in each of the 22 Classes will be awarded the original and time honoured Bear trophies. These are the Bears that will make the statement on the mantle in your home.

And the Bears won't go home lonely as the Official BSRKC Class Bears will be dressed with incredible prizes. A to Z Capital Corp. is dressing his Cadet and Novice Bears with MP3 Players. (Thanks Andy!) Skyrider Equipment is dressing his Junior Bears with Fuji A610 Digital Cameras. (Thanks Graham!) The BSRKC Senior Bears will be dressed with \$175.00. (You will have to be there to see the second and third place prizes. Hint...More Cash plus Philips and Virgin).

In 2006, over 300 go kart racers took to the Shannonville Nelson track to put on the best racing of the year. And 2007 will be no different. The BSRKC organizers have dotted our I's and crossed our T's to make sure we deliver the goods again this year!

I don't want to give away too much because that's like peeking in the Christmas present. But, I will say this. The moment you arrive in Shannonville for registration and check-in and receive your complimentary MG Tires t-shirt co-sponsored by MitoGraphics will start the excitement we've got planned for you that weekend!

If you have only raced with the rest, you don't know the difference. So on Aug. 1st to 5th make sure you're at the BSRKC special Bear hunt in Shannonville where everyone is welcome and where we will show you that in grand prix go kart racing the choice is perfectly clear...BSRKC!
