BSRKC EVENT #6 EXCEEDS EXPECTATIONS

Most karting organizations expect their last race of the season to draw less than favourable entries for their last events of the year. The Brian Stewart Racing Karting Championship Series has now proven itself NOT to be like most karting organizations!

Each one of the 6 Championship Series races at 3-S Go Karts in Sutton, Kawartha Speedway and Shannonville Motorsport Park exceeded everyone's expectations with the last one at Downsview Park putting the icing on the cake.

159 entries competed during the race weekend hosted by Downsview Park and Grand Prix Kartways. The newly designed circuit by Enzo Chiovitti was very well received by everyone there. And, by Sunday afternoon, everyone commented that this facility should be a permanent addition to the BSRKC Schedule.

Numerous Press Releases were issued prior to this event and each one delivered exactly what it promised and then some.

No less than ten Sponsors contributed to this event's outstanding success and their names were all screened by Mitographics on the t-shirts donated by Downsview Park:

- 2) A to Z Capital Corp. – Andy DeFrancesco,
- 3) Simon Yakubowicz – Ford, Mitsubishi and Hyundai,

The top 3 in each of the Official Senior Classes were presented with \$300.00, \$200.00 and \$100.00 the same day. And, on Saturday and Sunday trophy presentations included Fast Qualifier pictures presented by Quickpicsonline.com, special draw prizes and beautiful Garden Mums floral arrangements donated by C. F. Groups.

Brian Stewart attended Friday night's Press Conference. Brian came back on Saturday and spoke with the teams and presented the three foot tall trophies and prizes at the end of the day.

Everyone was extremely satisfied with the hospitality extended to us by Downsview Park and Grand Prix Kartways. Everyone was extremely generous with their praise for the BSRKC Officials, the Waterloo Regional Kart Club and Simcoe Kart Club Volunteers and spoke very highly of the overall organization of the event. And on Sunday night the race teams reciprocated their appreciation by quickly removing the hay bales to return the facility to its original condition.

On behalf of everyone that took part in this event, we extend our heartfelt thanks to Andy DeFrancesco and A to Z Capital Corp. His direct involvement with the BSRKC Series has enabled each one of us to enjoy unimagined success. His generosity has kept the costs down for all of us making it affordable for everyone to participate. His generosity has enabled us to present prizes and cash awards that have left everyone delightfully surprised.

The BSRKC Banquet and Awards Gala will be held in January. Please watch the web sites as we announce the details of the substantial cash awards to be presented that night.

If you think the 2007 BSRKC Series was a success just wait until you see what we have in store for you in 2008 and beyond.

Needles to say, the BSRKC Series is THE Series where EVERYONE IS WELCOME!!!
