*****FOR IMMEDIATE RELEASE*****

BSRKC RACE 2 IN LEAMINGTON

The second race of the 2008 BSRKC Series is set for Leamington this weekend on May 30, 31 and June 1. This special event is sponsored by Scarborough Mitsubishi and Simon Yakubowicz, and A to Z Capital Corp. and Andy DeFrancesco. Once again the sponsors have spared no expense in adding a new twist to the prizes. Surprises await everyone. Hints have been dropped. Will cash be king or will Future Shop, Best Buy and EB Games rule the day?

The Event Registration, Schedule of Events, Pre-Tech Form and Accommodation information are all available on the www.BSRKC.com web site.

The BSRKC kart number registrations now top 430. Everyone will be in Leamington this weekend. The Point Pelee track will be new to some, but for other BSRKC karters that raced there in 2006 the return visit will be keenly anticipated.

The Sunparlor Kart Club together with its President Earl LaJoie, Secretary Jackie Dowhan and its Board of Directors, are using this special event weekend as a tune up for the September Windsor Karting Grand Prix Street Race. The BSRKC Principals, Organizers and Volunteers will be there in full force working in tandem with the SPKC.

This Series has done its utmost to present go kart races that challenge all karters from across Ontario. Each venue adds a different flavour with not one karter having a home track advantage. It's an equal racing field for everyone and the Championships are anyone's to be had.

Autosports Media, Quickpics Photography and EkartingNews.ca will be on site to cover the excitement first hand. Results will be posted immediately. Tell your family, friends and sponsors to watch for your results as Jason Holland posts them live on the www.ekartingnews.ca Forum.

With the 10 Rotax Max Challenge trips to Grand-Mere, Quebec, sponsored by Max Air Environmental Systems Inc., CF Groups and Quinlan Inc., up for review, the BSRKC Selection Committee will once again be scrutinizing these Classes carefully to choose the best RMC racers to represent Ontario.

So much will be happening this weekend at Point Pelee Karting in Leamington. Now, all we need to add is you!
