FOR IMMEDIATE RELEASE

BSRKC – MOJO W1 RAIN TIRES REQUIRED FOR ROTAX RMC CLASSES

Effective immediately, the spec “wet” tire for the Rotax Senior, Rotax Junior and Rotax DD2 classes at BSRKC races will be **Mojo W1**, as required by the Canadian Rotax Mojo Max Technical Regulations.

This requirement will be announced at the Race 2 Drivers’ Meeting as an Event Supplementary Regulation, as permitted by BSRKC Supplementary Regulation 1.6 (f). A BSRKC bulletin will be issued shortly to add this requirement to the regulations for subsequent events.
