SKC AT PERFORMANCE WORLD SHOW

Simcoe Kart Club will be at the Performance World Custom Car & Truck Show at the International Centre, 6900 Airport Rd. Toronto on March 14 and 15 from 10am to 10pm and on March 16 from 10am to 6pm.

SKC will be located in Hall 3 Booth 318 right across from the General Motors display.

The Performance World Custom Car & Truck Show is the largest indoor custom car and truck show in Canada. There is something there for all motor sports enthusiasts. Hot rods, Dragsters, Muscle cars, imported Tuner cars and trucks will fill the entire International Centre facility to everyone's delight. And, Simcoe Kart Club will be there promoting our go kart racing organization and our position as a Brian Stewart Racing Karting Championship Series hosting club.

Mark the dates on your calendar. Make sure you come on out and see what's happening in 2008. This show is guaranteed to get rid of your winter blahs and get your motor running A.S.A.P. This will also be a great opportunity to get your Simcoe Kart Club membership and register your number for the Brian Stewart Racing Karting Championship Series.

See you there!
